GERRY WHELAN | *The Loss of My Daughter, My Shining Star*

My talk will touch on the life of my daughter and her wonderful gifts. The empty sense of loss and grief. And how my faith was my anchor to strive forward.

Gerry Whelan is a father of four children. He attended Catholic schools from grade 3 throughout university as a Catholic influenced education was of importance to him. Gerry was an active participant in his schools councils and church youth groups. He volunteered as a coach for over 17 years believing in giving of oneself to his community.

ISABELLA BRUNO | *Girls, Stress, the Pandemic: How to Deal with the Anxiety? 3 Practical Tips!*

Are you feeling isolated? Afraid? Hopeless? You're not alone! The coronavirus pandemic may have caused a surge in anxiety, but the good news is, God wants to heal you! Join Isabella Bruno as she explains anxiety from a heavenly perspective, shares her story of healing, and offers 3 practical tips you can use to eliminate anxiety and experience God's peace.

After suffering a major panic attack in 2017, Isabella Bruno thought her life was over. Little did she know that God was waiting in the wings to effect a radical transformation in her life – one that not only freed her to wholeheartedly embrace her spiritual identity, but that also completely cured her of anxiety!

FR DENIS LEMIEUX | *Staying Human in the Digital Age*

Fr Lemieux will explore the ongoing impact of information technology and on-line communication on fundamental human ways of living and being. The listener will be challenged to consider the impact of social media on their quality of life and make informed choices about how to engage in life in our 'digital age'.
